

## HTM01-05 Validation service prices until 31/12/2021

### Bronze service

QC and Q105 - £99.95, 80T £119.95, T105 and 80H £139.95, H105 £159.95

Pack your unit in a box with plenty of packing and send to:

Service Department  
Walker Electronics Ltd  
Collingham, Newark  
Nottinghamshire  
NG23 7LA

Your unit will be inspected on arrival. Should your unit require repair an estimate will be sent before we carry out any work. Small items (less than £5 in total) such as basket rubber feet, lid pads, small labels etc. will be replaced free of charge.

We can collect your unit for £19.95 + VAT but **ONLY IF YOU HAVE THE ORIGINAL PACKAGING.**

Your unit will be validated and returned to you within 10 working days\*.

We will issue a validation certificate and a PAT test certificate both of which are valid for 1 year.

These will be included when your unit when it is returned.

### Silver service

QC and Q105 - £139.95, 80T £159.95, T105 and 80H £179.95, H105 £199.95

The special packaging for your unit will be sent to you together with a courier return label. On receipt, pack your unit into the box, seal and attach the consignment label. Call us on 01636892410 quoting 'our reference' from the despatch note. We will arrange for your unit to be collected and return to us for inspection.
